

WE ARE LOOKING FOR YOU:

# Java Developer

**You are enthusiastic regarding the newest technology and you love to transfer your ideas in the field of artificial intelligence and smart data into new products?**

**Apply now and become a part of aiconix.ai!**

aiconix.ai is a startup based in Hamburg. The founders Eugen L. Gross, Aleksander Koleski, Sarah Luisa Thiele and Pascal Kölpfen have the vision to turn the world of Video production upside down. The team is developing a Software for different scopes, that gives everybody the opportunity to analyse and predict user behaviour through one API Call at aiconix.ai. Based on the MVP and in cooperation with our pilot customers, aiconix.ai is facing the challenge to develop the final product within the next months – and you could be a part of this!

## **What you will do:**

- You deal with new developments in the fields of AI and Cloud Services
- You deal with the possibilities in the applications of Machine Learning and AI
- You specify stories for a team of developers and organise sprints
- You take part in decision makings regarding the alignment and future of aiconix.ai

## **What your abilities should be:**

- Programming language: Java and Python
- Spring boot for building a (micro-)service
- Hibernate and Angular
- Experienced in MongoDB, MySQL and/or Postgres
- Experience with AI APIs + Clouds
- The talent to work independent and reliable
- Intrinsic motivation and willingness to work in a team

## **What we offer:**

- Flexible working hours and an inspiring work atmosphere
- An attractive workplace in the Startup Dock in Hamburg with experienced coaches and continuously happening training events
- A network into the startup scene
- Modern hardware you need to work with
- The possibility to reach personal fulfilment within your work

Start of employment: as soon as possible

If we met your expectations, please send your application to the following mail-address: [hr@aiconix.ai](mailto:hr@aiconix.ai)

If you have any questions, please don't hesitate to call us in our office: 040/766 293 680

We are looking forward to your application.  
Feel free to decide if you want to apply in German or English.  
Eugen, Aleksander, Sarah Luisa and Pascal

aiconix UG , Harburger Schloßstraße 6-12 (Startup Dock), 21079 Hamburg
